

The Big Tent Cake Sale! At Rural Relaxing

Come along on Saturday morning 5th March from **10am-12.30** to buy some delicious homemade cakes & other produce.

Seek out homemade marmalades & preserves, cakes & traybakes

ALL profits will go to St Giles Church Restoration Fund.

I'm sure we are all proud when driving into the village at night to see our stunning Church lit up at night, it costs greatly to keep it looking magnificent inside & out and funding projects have suffered over the last two years through a lack of income, hence we think a big tent cake sale is a "FUNdraising" opportunity to top up the coffers.

We are requesting donations of baked or home produce items, please drop your items to Caroline at Rural Relaxing the Friday (4th March), thank you.

Coffee & tea will be on offer in the tipi and the tables will be set up for you to sit down & enjoy a good natter with friends
