

**Our gardens are certainly feeling the heat - in May, and especially now and over the next few days.**

**Are you worried about your plants? Are you creating a new garden? Do you want to change your garden to cope with this changing climate?**

**Then you must come to hear Rutland Award Winning Garden Designer, Nicola Oakey, who will speak about**

### **CREATING GARDENS FOR OUR CHANGING CLIMATE**

**WEDNESDAY 22ND JULY - 7.00PM MEDBOURNE VILLAGE HALL**

**Her talk will explore what we can grow and how we can shape our gardens to cope with drier conditions. She will also explore how we need to understand the unique character of our own gardens in order to get the most out of what we plant.**

**This talk is free to Members (£10 for guests)**

**Dates for your diary**

**26th August - Garden Safari (Members only)**

**23rd September - Nick Grounds - Flower Arranger (NAFAS) and Raconteur - Village Hall - 7pm - Members Free (Guests £10)**

**28th October - Nick Hamilton, Barnsdale Gardens - Village Hall - 7pm - Members Free (Guests £10)**

**Any questions, if you would like to become a Member, or if you would like to come to the talk contact Janet Granger - [janet@meek.co.uk](mailto:janet@meek.co.uk)**
