

AN EVENING NOT TO MISS - JANETTE MONROE, IL DESTINO AND A LOCAL CHOIR

Our new South Leicestershire group called the 'Village People' has been formed to help with projects and fund raising in our local villages. We are launching our Group with a concert in MEDBOURNE CHURCH on 3RD FEBRUARY 2018 starting at 7.45PM and finishing by 10.15PM. There will be a 30 minute interval.

With a maximum capacity of 160 [some 70 have been pre sold] you are invited to reserve your tickets at £15 EACH to include mulled wine and canapes. Alcohol and soft drinks will be available to purchase.

The Church is a wonderful location for a concert - the acoustics are superb.

The concert will feature JANETTE MONROE, who delighted 65 of us at Medbourne Sports club recently. She is a friend and one of the leading cross over sopranos in the UK. She has worked extensively in the UK and overseas with the likes of Russell Watson and Joe Cocker and sings light classical, songs from the musicals and popular songs. Anyone whom saw her knows that she is world class! Look at her on U Tube.

She will be joined by her friends IL DESTINO the coming together of Platinum selling classical recording artist Jon Christos and West End and Broadway star Adam Lacey. As a duo they take the audience on a musical journey, providing a unique show by combining incredible vocals. Again you can see them in action on U Tube.

Musically the show will encompass some of the world's most loved and timeless music; a variety of styles and genres, tributes to some of the world's leading song writers, performers and shows. You will know all the songs!

And to boot they will be joined by one of the local village choirs.

It is targeted at all age groups.

The concert is being held to help the villages of Bringhurst, West Drayton and Nevill Holt to purchase defibrillators.

Please ask your friends too and let me know how many tickets you would like either by ringing me or e mailing me on peter@fmgdirect.co.uk

Many Thanks
