All responses received by the above date will be considered before we finalise the Draft Neighbourhood Plan. A Consultation Statement including a summary of all comments received and a response from the MNPAC will be submitted along with the amended Neighbourhood Plan to Harborough District Council. Please note **we will not accept** responses that are anonymous. Your personal details will not be made public. We cannot enter into direct discussions with any person or organisation submitting a response, as all the comments will need to be considered together. Comments and our response will not be made public prior to formal submission to HDC.

A copy of the Draft Neighbourhood Plan can be viewed online from Tuesday 29th August 2017 at: <http://www.medbourneparishcouncil.co.uk>
