EXPLANATORY NOTES

| <p>Explanation of correction to 2016-17 figures 'brought forward'</p> | <p>As noted in the submitted report of the 2017-18 accounts by the Internal Auditor, the accounts from 2016-17 had remained unreconciled, and had required substantial work to be undertaken to address this by the incoming Parish Clerk.</p> <p>This had involved identifying a number of issues including :</p> <ul style="list-style-type: none"> (a) an under-recording of grant income for work to develop the local Neighbourhood Plan; (b) a necessary balanced-recording of an internal transfer between the Parish Council's (included now as both receipt and payment); (c) adjustments to the total of yearly payments to record all payments made in the year; (d) the necessary inclusion of the Mower Fund account and reserves within the overall bank and account reconciliations, which had not been included within previous returns. <p>A figure of £17.02 has not been sufficiently identified within the 2016-17 reconciliations, and may stem from a period prior to 2016-17.</p> <p>The overall result of the above adjustments has required a reassessment of the previous Box 7 figure originally submitted for 2016-17 – this was submitted as £19131 but should have been £29699.09.</p> |
| <p>Box 3</p> | <p>The amended figure for 2016-17 now includes an additional £4925 within the total of grants received, plus a figure £250 assigned to the transfer between accounts.</p> <p>The key variance between 2016-17 and 2017-18 figures are that a smaller degree of grant funds of £4075 were received in 2017-18 than the overall total of £14925 received in 2016-17 to complete the work on the Neighbourhood Plan.</p> |
| <p>Box 6</p> | <p>The amended figure for 2016-17 now includes an additional £772.64 within the total calculation of payments made.</p> <p>The variance between 2016-17 and 2017-18 figures are principally the legacy of payments required of £12935.59 made in 2017-18 (against £6947.34 made in 2016-17) to cover the final costs of the remaining consultancy support to complete the Neighbourhood Plan.</p> |
