Technical information about this website's accessibility

Medbourne Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

Compliance status

This website is partially compliant with the [Web Content Accessibility Guidelines version 2.1](#) AA standard, due to 'the exemptions' listed below as "Content that's not within the scope of the accessibility regulations"

Some of our PDFs and Word documents are essential to providing our services. For example, we have PDFs with information on how users can access our services, and

forms published as Word documents. By September 2020, we plan to either fix these or replace them with accessible HTML pages.

The accessibility regulations do not require us to fix PDFs or other documents published before 23 September 2018 if they're not essential to providing our services.

Any new PDFs or Word documents we publish will meet accessibility standards.

What we are doing to improve accessibility

We are in the process of developing an accessibility 'roadmap' to show how and when we plan to improve accessibility on this website.
