*All payments exclude VAT								

Last year (2014/15), council tax support grant provided £360.25, leaving a precept of **£6832.75**

Actual amount required for 2015/16 estimated at £7303, due to other income of £53 (interest, rent) ie. 7356-53 =7303

Assuming that there is a council tax support grant this year, and that it is passed on to the parish by HDC in the same way as last year, the grant is currently estimated at £360.25

**This would leave a precept requirement of £6942,75**

# Medbourne Parish Council

## 2014/2015 Suggested Precept

### POINTS TO CONSIDER

#### Possible areas of saving

**Grasscutting** - this has been done by volunteers for the past two years, with no cost, so could be omitted from budget. However, there is no guarantee that volunteers will continue to be able to do this work and HDC assistance (at a cost) may be required

**Litter Bins** - this money has been included but not spent for a few years - but there is no guarantee that it won't be needed in the future

#### Neighbourhood Plan

No additional funds have been included within the calculation for this year. Neighbourhood Planning costs are usually funded through special grant streams

#### Decreases

There are no decreases this year.

#### Increases

**Mower Fuel** has increased and exceeded last year's precept, it has been increased by £10 to cover this

**Dog Bin Emptying** has increased by £25 - in line with historical annual increases

**LRALC** subscription has increased by £5 to cover increased cost

**Village Maintenance** has increased by £70 to cover a programme of improvement works to benches

#### Comments

The election fund is to remain at £250, it is recommended that the forthcoming election be paid over a four year period, it was increased to this level last year and should be reviewed again next year depending on costs.

There are no additional allowances for expenses such as travel, should a clerk from outside the area be appointed - a national pay agreement has taken place for the Clerks Salary to increase by 2.2%, although final confirmation is pending. This 2.2% however would be within the existing precept figure

The amount for Audit remains the same, as a no-fee audit is wholly dependent on there being no queries on the documents submitted and is not guaranteed

### **IMPORTANT !!!!**

When the total requirement figure of £7303 is used in the calculation of Band D council tax for Medbourne the changes applied to the precept represent an increase year on year of 6.7% or £2.17 per property (taking Band D to £34.78) or if the Council Tax Grant is continued the precept figure would be £6943 (£6942.75) which would represent an increase year on year of 1.37% or £0.45 per property (taking this figure is based on a Council Tax Base of 210 properties (last year 209.5) and if there is an increase in the Tax Base, the overall increase in cost per property would be reduced.

#### **CONTINGENCY FUNDS (assuming none used before 31.03.15)**

	<b>at 01.04.14</b>	<b>added this year</b>	<b>at 31.03.15</b>
Election	356.00	250.00	606.00
