Re: Neighbourhood Plan for Medbourne Parish Council

I am writing to you as a stakeholder who has an interest in Medbourne to advise you that the Parish Council has taken the decision to prepare a Neighbourhood Plan. An Advisory Committee of the Parish Council has been established to deliver the Plan on behalf of the Parish Council.

The area covered by the Parish Council has been designated by Harborough District Council as a 'Neighbourhood Area' in accordance with Part 2 of the Neighbourhood Planning (General) Regulations 2012.

It is anticipated that this process will be concluded within the next 12/15 months and over this period it is intended to begin to develop planning policies that are likely to cover issues such as housing; environment; economic development; community facilities; heritage; leisure and transport.

At this stage, I would be grateful for your acknowledgement of this letter; to receive an early indication from you as to whether you have any issues that you would like the Neighbourhood Plan to specifically address and confirmation that you are the most appropriate person to contact within your organisation for Neighbourhood Planning purposes.

I look forward to hearing from you in relation to these issues and to keeping you in touch with developments as the process continues. Should you require any further help or clarification, please contact either myself at the above address or Bernadette Lee, Chair, 38 Manor Road, Medbourne, Market Harborough LE16 8DU Mob:07703 513707

Yours sincerely

David Nance
Secretary
Medbourne Neighbourhood Plan Advisory Committee
